OBSERVATION.

Il faut détacher toutes les notes dont le coup d'archet ne fera pas marqué.

Les morceaux marqués par un coup d'archet en haut et un autre en bas, seront executés des deux manières.

Les coups d'archet marqués sur deux mesures seulement, se continuent de même jusqu'à ce qu'il s'en trouvent de differemment marqués.

Pour faciliter l'execution aux Amateurs, le doigter est marqué par des numeros; il faut obferver dans le haut de ne point demancher à moins que le doigter n'y soit.
